## RECENT NEWS AND MILESTONES

*October 26, 2023*

**Astra Energy Inc., Sustainable Energy Technologies, Inc. and Holcomb Energy Systems LLC Are Joining at the Fort Lauderdale International Boat Show Sponsored by Camper and Moretti Yacht Group**

The event provides an ideal opportunity to debut the HES In-Line Power Generator and the SETI Power Pack, both breakthrough technologies that will cut fuel consumption and harmful emissions — a “sea-change” in power use for the marine industry.

*October 16, 2023*

**Astra Energy Inc. Affiliate Astra Global Solutions, Inc. and Partner Inti Global Dominicana, S.R.L. Secure a 25-Year Concession for Organic Waste in Dominican Republic**

Astra's affiliate Astra Global Solutions, Inc. has partnered with Inti Global Dominicana, S.R.L. to secure the Dominican Republic National Coconut Program.

*October 4, 2023*

**Astra Energy Inc. Announces Strategic Partnership with Sustainable Energy Technologies, Inc.**

Joint agreement will supply next generation hybrid Graphene/Lithium-ion Supercapacitor Energy Storage Solution.

*Astra believes that operational efficiency and utilizing cost-competitive, quality technology is a top priority in providing long term renewable energy solutions that deliver shareholder value and ongoing profitability while mitigating risks.*

### Forward Looking Statements:

All statements contained herein other than statements of historical fact, including statements regarding our future results of operations and financial position, our business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” and similar expressions are intended to identify forward-looking statements. We have based these forward-looking statements largely on our current expectations and projections about future events and trends that we believe may affect our financial condition, results of operations, business strategy, short-term and long-term business operations, objectives, and financial needs.

These forward-looking statements are subject to a number of risks, uncertainties, and assumptions. Moreover, we operate in a very competitive and rapidly changing environment. New risks emerge from time to time. It is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. In light of these risks, uncertainties, and assumptions, the future events and trends discussed herein may not occur and actual results could differ materially and adversely from those anticipated or implied in the forward-looking statements.
